To: Hoi Vu Company Limited — Cau Giat Industrial Cluster, Duy Tan Ward, Ninh Binh Province, Viet Nam

Subject: Declaration under Regulation (EU) 2025/40 (PPWR), Article 5(4) — finished corrugated carton trays supplied to Hoi Vu Company Limited

We manufacture and supply finished corrugated carton trays to Hoi Vu Company Limited. These trays pack glass jars of food products exported to the European Union. The tray is secondary packaging. It does not touch the food.

Regulation (EU) 2025/40 (PPWR), Article 5(4), requires that the sum of lead, cadmium, mercury and hexavalent chromium (Pb + Cd + Hg + Cr(VI)) in packaging and packaging components does not exceed 100 mg/kg. **By standing on the declarations of our raw material suppliers, we commit** that this sum in the finished carton trays supplied to Hoi Vu Company Limited does not exceed 100 mg/kg.

Board material of the finished tray. The tray is made from corrugated board: **[[FILL: TKTA / TKMA — mark the one the finished tray uses]]**. We hold these test reports on the two board materials (report HT41225244902 covers material TKTA; report HT41225270201 covers material TKMA):

Laboratory	Report no.	Date	Content and result
CTIC	**HT41225244902**	**15/12/2025**	RoHS: cadmium, lead, mercury and Cr(VI) all not detected (N.D.) in material TKTA
CTIC	**HT41225270201**	**25/12/2025**	REACH SVHC candidate list (251 substances): none above 0.1% in medium TKMA

Composition of the finished tray. The signer confirms or corrects this list of input materials:

- Paper — CTCP Giấy Minh An (medium MHMA) and/or Giấy Lee & Man Việt Nam (White Top Liner W / Kraft Top Liner N): [[FILL: confirm / correct]]
- Printing inks — SACVIET INKS CO., LTD and/or UNICHEM Vietnam: [[FILL: confirm / correct]]
- Staples — Henan Tongchuang Metal Products (galvanised flat wire): [[FILL: confirm / correct]]

The finished tray itself is not separately tested. This declaration rests on the test reports and declarations of the raw material suppliers listed above.

PFAS (Article 5(5)) does not apply to this packaging: the carton is secondary packaging with no food contact.

This declaration is valid for twelve (12) months from the date of issue.

Yours faithfully,
