Dear Sir or Madam,

Re: PPWR declarations for your review and completion — Regulation (EU) 2025/40

Attached are the heavy-metal and PFAS declarations we have prepared for your label materials (ASEAN LPM FASSON® PSA products with paper, PO, PE, PET, PP and PI facestocks), pre-filled from the document currently on file: your REACH SVHC letter of 6 March 2026 (AD ASEAN_REACH SVHC, 253 candidate substances, none intentionally present above 0.1% w/w).

Please: (1) check that each statement is accurate for your materials; (2) complete the fields marked [[…]]; (3) sign and stamp; (4) return one copy to us.

Specifically, please complete in the attached declarations: (a) your full registered address; (b) Ref no. and date of issue; (c) the exact FASSON facestock grade(s) supplied to PHU HUNG PAPER AND PACKAGING CO., LTD (paper or film family); in the heavy-metals letter, if you hold test data, the report reference and sum value (otherwise delete the optional bracketed sentence); in the PFAS letter, if you hold PFAS test data, the report no., laboratory and date (otherwise use Alternative 2 in clause (d) and delete Alternative 1); plus signature, name, title and company seal/stamp in both letters.

Please do not change the body text. If any statement is not accurate, tell us and we will reissue the declaration.

Thank you for your cooperation.

Yours faithfully,
Hoi Vu Company Limited — Cau Giat Industrial Cluster, Duy Tan Ward, Ninh Binh Province, Viet Nam
